The London Borough of Waltham Forest and Thames Water wish to make the following ‘Statement of Common Ground’ in relation to the Blackhorse Lane Area Action Plan.

In response to the Blackhorse Lane Area Action Plan Proposed Submission (BHLSD1), Thames Water made a number of representations, which included the need for the AAP to make reference to the functional and operational role of Walthamstow Reservoirs.

A full copy of the Thames Water’s representations can be viewed in document BHLSD7 – Blackhorse Lane Area Action Plan – Consultation Report Part 3 – Copies of Representations – Regulation 22(1)(d).

Both parties are now in agreement that modification numbers 41 and 47 from the Blackhorse Lane Area Action Plan Schedule of Post Publication Modifications (document ref: BHLSD2) ensure the AAP adequately reflects the functional and operational role of Walthamstow Reservoirs.
